Look for and discuss obvious hazards and LIST HERE:	Mitigation (How we will handle it):

*I understand that unsafe behaviors and injuries are unacceptable. I also understand that I am the only person who can truly control what I do. I accept the fact that it is my responsibility to ensure that I thoroughly understand how to do all work I perform here without getting injured or putting others at risk. I commit to take responsibility for my own learning. I will behave in a safe manner at all times, always considering the potential risks before I engage in any work activities. I accept responsibility to work safely and that Safe Behavior is a condition of employment. I commit to doing all I can to ensure the safety of myself and those with whom I work.*
